Expertise

Our team have the experience to design and deliver plant displays that best suit your environment, light and colour scheme.

Quality

Plants are sourced from MPS certified growers who are committed to sustainable CSR programmes.

Service

We will design, install and service the plant displays to ensure they always look their best.

Innovation

We use biomass to turn the green waste from the hanging baskets into energy. We save approximately 136 tons of CO2 by this process.

phs Greenleaf
will maintain the
planting displays and
manage the watering
system throughout
the seasons.
