Our Christmas service

As Christmas specialists, we understand what really makes a difference to you and your business during the festive period. Christmas is one of the busiest times of year for most businesses, why not have one less thing to worry about this year and let phs Greenleaf take control of your decoration planning.

Our service is designed to make Christmas as stress free as possible for you...

Choose your tree and accessories from our wide range of both artificial and real collection. We have something for everyone. Our team are here to guide you through what size and designs will suit your location. We will arrange a time that suits you to deliver and install your tree and decorations. At the end of the festive period, our professional and qualified team will collect the tree and any accessories from your premises.

INNOVATION
Delivery and collection is scheduled geographically, ensuring we minimise our environmental impact.

DESIGN
Choose from one of our 'on-trend' designs, or work with our interior designer on your chosen, bespoke design.

SERVICE
Design, installation and collection is provided as part of the Christmas tree hire service.

EXPERTISE
phs Greenleaf have 15 years' experience at providing Christmas trees to businesses throughout the UK.

Eco Tree

If your business has a focus on sustainability and you would like that to reflect in your Christmas decorations this year, then our New Eco Tree could be the perfect fit.

The tree is available as both real or artificial and includes a mixture of natural and sustainable products ranging from handmade hessian bows, a variety of preserved grasses, leaves and flowers along with wicker baubles and stars.

Sustainability and the environment are important to us here at **phs** Greenleaf. So, for every real tree we install we work together with a partner to plant two new ones in its place.

Every real tree we install we work together with a partner to plant two new ones in its place
